Early Years Newsletter

Summer Term- 28th June 2024

Nursery Class

This week we continued with our Train Ride/Euro Star theme and made French flags and created Eiffel Tower art using art straws. We even had croissants and pain au chocolat for snack too! We have continued with our phonics activities and played one of our favourite games, 'silly soup'! Our Maths work focussed on numbers from 0-5. We have identified numerals, found numbers 'before' and 'after', ordered them and practised making small sets of objects. We have made the most of the warmer weather and have enjoyed lots of outdoor activities. A new favourite space is the digging area. This week we have made homes for the ants, mud pies and birthday cakes!

Reception Class

This week in Reception we have started a new book called Bringing the Rain to Kapati Plain. This book is based in Africa. We have learnt lots of things about Kenya and even tasted fruits including passionfruit and mango. In Maths we have been problem solving. We looked at the story Harry and the Bucket Full of Dinosaurs. We imagined if dinosaurs jumped in or out the bucket how many would be left. We have also been working on practising sports day and talked about how it is a chance to have fun regardless of where we come.

Key Dates:

Sports Day (Reception)- Tuesday 2nd July 9.30am parents and carers are welcome to attend. PE kits to be worn this day please.

Sports Day (Nursery)- Friday 12th July 2pm on the Nursery playground, our children who go home at 11.30am are invited to come back at 1.45pm that day.

Reception Class Trip- Tuesday 16th July

Friday 19th July 2024- Finish for Summer Term 1.15pm

Reminders:

We know the weather is unpredictable at the moment but please monitor it in terms of applying sun cream and wearing a cap. Thanks

Snack Money- If you are able to do so, we kindly ask for £1.00 a week contribution towards snack.
