### Spring Term- 28th February 2025

## Nursery Class

This week we have been reading the story Jack and the Beanstalk.  We have been roller printing in shades of green in order to create our own beanstalk display in class! We have also been drawing pictures of beanstalks on paper and in shaving foam trays!  In Maths we have been learning all about number 6.  We read Six Dinner Sid and made our own nursery shop where we had to count out pennies to buy items.  Next week we will be starting to learn about height and length as well as planting seeds.

## Reception Class

In class this week we have started to think about 'The Tiny Seed'.  The children have loved learning all about planting and growing.  We have been finding out about what plants need to grow and exploring how seeds can all look different and grow into different things.

In Maths we have been exploring the numbers 9 and 10, building, drawing and subitising.  At home ask the children to show you different ways to represent these numbers using pictures and illustrations.

## Key Dates:

Thursday 6th March 2025- World Book Day, children can come into school dressed as their favourite character or bring in their favourite book.

Tuesday 11th March 2025- Class Photographs Please note these will take place in the morning, our children who attend the afternoon Nursery are invited to come into school to take part in the photograph.
