Autumn Term- 13th September 2024

Nursery Class

What a brilliant first week in Nursery. We have welcomed many new friends, and everyone is settling in well. This week we have been playing lots of class games to get to know our friends and learn their names. We have been learning our hello and days of the week songs too. Staff have been supporting the children to learn the class layout and their routines. Today we did our first class 'Squiggle While You Wiggle!' (Photographs have been posted on our class story)

Thank you to everyone who has sent baby and family photographs in. We will be using them over the next few weeks in class. If any more families would like to send photographs you can do so via class dojo.

Reception Class

Reception have impressed us so much this week. It is lovely to see friendships developing and learning each other's names. We have been talking about our school promises of 'Ready, Respectful and Safe' and how we can implement these in our class.

We have been familiarising ourselves with the Number Block Characters for Maths and we have enjoyed reading some stories about starting school.

We are looking forward to our first full week in school next week. Thank you for all your support helping the children to settle.

Key Dates:

If you are in a position to do so please send in £1 a week contribution to snack money.

Reminders:

Parent Pay letters have been sent home with Reception- please activate your account if you have not already done so.

If you have been sent any forms from the office e.g. Free School Meals and School Admission Forms.
