- Methods of adding
- Subtraction facts
- Methods of subtraction
- Addition and subtraction problem solving and reasoning

## French

The children will learn about the links between English and French nouns, familiar colours and body parts. All of our French lessons are verbal and practical with lots of games.

## Physical Education

During this term the children will be learning about yoga. They will learn the importance of stretching and exercise while being respectful to others.

## Science

### Seasons

We will explore the season of Autumn and how it changes our environment and weather. We will collect data to use to compare future seasons.

### Uses of Everyday Materials

We will explore different types of materials and what objects we find them in. The children will look at the properties of materials and classify based on this. Finally, the children will complete a scientific enquiry to find the most suitable material.

# Year 1/2 Autumn 2

## Computing

This activity will explore what friendship means online. The children will learn about the do's and don'ts of communicating over the internet.

## Music

Our music lessons this term will focus on our Nativity performance at the end of term.

## Design Technology

This term the children will be exploring stability and strengthening materials. Then will then make a chair for baby bear and test to see its suitability.

## History

Children will look at their own personal history and then we will learn about the significance of Remembrance and why we remember. We will look closely at the significant individual Walter Tull and how his life was important during the time of the war and today.

## Religious Education and World Views

In Religious Education and World View we will be looking at the celebration of Hanukkah. We will learn why it is celebrated, how it is celebrated and important symbols during this celebration. We will then begin to look at Christmas and why it is important to Christians.

## PSHE

Health and Wellbeing The children will learn about the benefits of exercise and relaxation on physical health and wellbeing; strategies to manage different emotions, setting goals and developing a growth mindset and understanding dental hygiene.

## Reading and Phonics

Children will have daily phonics lessons looking closely at sounds and how to read and write these in words. Children will have three opportunities to read with an adult a week, two guided reads and one individual read. This will help to develop fluency
