

English

The Tear Thief by Carol Ann Duffy

The tear thief is a ghostly character who moves invisibly through the night. Her job is to collect tears from the children she visits, and she does this each day, in the hour between suppertime and bedtime. Some of the tears she collects are those of anger, red and glowing like rubies, shed by a child in a furious tantrum.

The Tin Forest by Helen Ward

The Tin Forest where an old man lives who tidies the rubbish and dreams of a better place. With faith, ingenuity and hard work, he transforms a junkyard into a wonderland in this poetic modern fable.

Continuous:

Speaking and listening, reading (comprehension), writing, spelling (including phonics), punctuation, grammar and joined handwriting.

Mathematics

Number and place value

Recognise the place value of each digit in a three-digit number (Hundreds, tens and ones)

Compare and order numbers up to 1000

Read and write numbers up to 1000 in numerals and in words

Count from 0 in multiples of 4, 8, 50 and 100; find 10 or 100 more/less than a given number.

Solve number problems and practical problems involving these ideas.

Consolidate times tables for 2, 5 and 10, developing strategies for 3, 4 and 8.

Daily revision of basic skills (morning work)

Science

Health and Nutrition
